

Perdomo House

About Perdomo House

This house belonged to the Robayna family back in the 18th century but, in the second half of the 20th century, it became the property of the Perdomo family. Later, in 1988, it was purchased by the local council of Tegui and, following major renovation work in which the primitive outbuildings of the Mudejar residence were left unaltered, the current Historical Archives were installed.
